Your former employer provides a reimbursement account for eligible participants to be reimbursed for eligible healthcare expenses. **The employer's Summary Plan Description (SPD) and legal plan document outline the rules for eligibility and eligible expenses.** Receipt of this instructional guide does not confirm your eligibility for the subsidy.

This guide serves as a resource for submitting reimbursement requests. It reflects current process and documentation requirements based on IRS regulations. Process and documentation requirements are subject to change. If any conflict should arise between the descriptions in this instructional guide and the provisions of the subsidy plan, or if any provision is not explained or only partially explained, your rights will always be determined under the provisions of the plan document and the plan's administrative rules.

STEP 1: YOU PAY FOR YOUR ELIGIBLE INSURANCE PREMIUMS OR HEALTH CARE EXPENSES

- Pay your premium directly to your insurance company – You arrange the method and frequency of premium payments directly with your insurance company
- Pay for your out-of-pocket expenses like copays and coinsurance

STEP 2: DECIDE WHAT EXPENSES YOU WANT REIMBURSED

- Log into the online portal to view your list of eligible expenses on the Claim Submission page found here: <https://yourflexbenefits.aptia365.com/>
- Review your HRA allocation to decide which expenses you will choose for reimbursement based on your available balance

STEP 3: DETERMINE HOW YOU WANT TO SUBMIT YOUR REIMBURSEMENT REQUEST

- Eligible premiums can be reimbursed through two methods:
 - Automatic Premium Reimbursement if your insurance carrier allows for this method (**see page 6**) or
 - Recurring Payment for any eligible premium expense (**see page 7**)
- Eligible out-of-pocket expenses may be reimbursed via a One-Time Payment (**see page 8**)
- Supporting documentation is required for Recurring Payment and One-Time Payment claims. See page 7 and 8 for more information on what to provide in your submission.

STEP 4: HOW DO YOU WANT TO RECEIVE YOUR REIMBURSEMENT?

Once your claim request has been received, Aptia will review your legally-required supporting documentation and determine if the claim is in good order. Reimbursement is made by either:

- **Direct deposit** - You may enroll in direct deposit online by visiting the account portal at <https://yourflexbenefits.aptia365.com/>
- **Physical check** - If you do not enroll in direct deposit, you will receive a mailed physical check to the address we have on file

AUTOMATIC PREMIUM REIMBURSEMENT

When to use

You have this option for your premium reimbursement if:

- You have enrolled in a qualifying plan through Aptia365 Retiree
- Your carrier allows for Automatic Premium Reimbursement; contact Aptia365 Retiree (**see page 4**) to inquire about your carrier

How it works

Opt in to Automatic Premium Reimbursement by phone with the help of a benefits counselor

After you pay your premium each month, Aptia365 Retiree receives a notification from your carrier and issues your reimbursement on the next available date

Your opt-in election applies for as long as you remain enrolled in your eligible plan, even if your rate changes

There is no need to file a reimbursement claim unless you dis-enroll from the eligible plan, OR the carrier no longer allows for Automatic Premium Reimbursement

When to expect reimbursements

Reimbursement timing may vary each month and depends on when you pay your premium and when your carrier reports that information to Aptia365 Retiree. The reimbursement that you are eligible to receive is based on your available account balance at that time.

Keep in mind

- This option provides the convenience of being automatically reimbursed without submitting any documentation and continues as long as you remain enrolled in your plan
- This reimbursement option is available only for certain carriers and plans
- If you have elected to have your premium deducted from your Social Security check, Automatic Premium Reimbursement is not available.
- If you have selected Automatic Premium Reimbursement as your reimbursement type, do NOT send in a separate reimbursement request for the same claim.
- If you wish to opt out of Automatic Premium Reimbursement you must do this on the phone (**see page 4**) with a benefits counselor.

Where can I find information about my account balance or the status of my claims?

Both the mobile app *Your Flex Benefits* and the dashboard on your online account portal are a “one-stop shop” for information about your claim reimbursements. You can file claims online, sign up for direct deposit, and find helpful resources in the top left menu. See page 10 for log in instructions.

How do I reset my account portal access?

On the login screen, select 'Forgot Your Password' or 'Forgot Your Username' and if you have a valid email address on file, an email will be sent. If this occurs, you will be able to reset your access yourself. If you do not have an email address on file, you will need to call the Aptia contact center.

How do I find the list of carriers participating in Automatic Premium Reimbursement?

You may call a benefits counselor at 888-434-1144 to review the list and opt in to Automatic Premium Reimbursement if you are enrolled in a plan that allows for this reimbursement method.

How long will it take for my claim to be paid?

One-time Payments are processed daily and payments are sent according to your previous employer's reimbursement schedule. Once your Recurring Payment or Automatic Premium Reimbursement claim is established, you will be reimbursed on a monthly basis.

I submitted a claim, when will I receive my payment?

For online claims, you will receive an email message letting you know your claim has been received and will be processed shortly. You will receive a separate email communication once your claim has been processed. Direct deposit is the fastest reimbursement method. Note: if you have not selected direct deposit, please allow an additional 5 to 7 days for a physical check to be received in the mail.

What if I have not received the necessary documentation for my premium from my insurance carrier?

Contact your insurance carrier and request a document that contains: the covered participant's name, plan type (health prescription drug, dental, vision), start date of your new policy, monthly premium amount, and name of insurance provider.

What if I have not received my Social Security Benefit Award letter to use as third-party documentation?

For lost documents, you may request a "Proof of Income" letter by contacting the Social Security Administration at 1-800-772-1213 (TTY 1-800-325-0778) or www.ssa.gov.

If I submit paper claim forms, who needs to sign them?

The account holder must sign all claim forms prior to submitting for reimbursement. The account holder is determined by your plan's rules. Refer to the welcome letter included to confirm who is the appropriate account holder. If the account holder has a Power of Attorney (POA), the POA paperwork has to be provided to Aptia365 and approved before they can sign a claim form. Unsigned forms will delay your reimbursement.

What do I do if my reimbursement claim request is not approved?

If your reimbursement claim request was not initially approved, you will receive an email or letter in the mail stating the reason for the denial with instructions on next steps..

How long do I have to submit previous year claims?

Deadline information about your plan is available in the online portal Benefit Account Summary section.

What happens if there is a payment error?

An underpayment or overpayment may occur due to an administrative error or if you are mistakenly reimbursed for an expense that you were not eligible to receive. If you have an unresolved payment issue, Aptia365 will contact you after the occurrence. In order to resolve a payment error, please contact Aptia365 to speak with a representative about your options.

What should I do if a beneficiary becomes incapacitated or deceased?

Aptia365 is here to help. Authorized caregivers should contact Aptia365 for guidance on any remaining account balance for a deceased or incapacitated beneficiary.
